

FAITHFUL FOOTSTEPS FAMILY LEARNING REGISTRATION AGREEMENT

By signing this, I agree that I understand and will abide by the following policies:

- I understand that this program is **supplemental** to my child(ren)'s homeschooling program. As the parent, I am fully responsible for my child's education. While feedback will be given on assignments and grades may be issued, it is my responsibility, as the parent or guardian, to ensure my child is completing his or her work.
- I understand if I want a signature for my portfolio stating that my child has completed the class, my child must be in attendance during class and be doing the given home assignments. If my child's work is not considered passing, according to the ministry leaders, the ministry leaders have the right to not sign that the class was completed. As the parent, I understand I have the right to decide my child(ren)'s grades and award credit as I see fit.
- I understand that my child(ren) are expected to adhere to the following **Code of Conduct**:
 - At FFFL, we strive to share the love of Christ at all times, and to continually become more like Him. We do not require that our students share our faith, but we do require our students to respect our faith.
 - We ask all students to use respectful language - no profanity or using the Lord's name in vain.
 - We ask all students to build one another up, not tear each other down. We will not tolerate teasing, bullying, or harmful words or actions towards other students. *This includes language used in texts/messages/posts/videos on the phone or other forms of social media.*
 - We ask that all students dress respectfully - not wearing clothes with vulgar language, no tank tops, no crop tops, no low-cut or revealing tops, and shorts/skirts must be at or below the knee. *All rules apply to both boys and girls.*
 - We do not allow cell phones to be out during class unless it is an emergency.
 - Students who are habitually disrespectful towards teachers, treat other students with cruelty, or who consistently use their phones during class will require a parent conference. We will always attempt to resolve a situation with a student and their parent/guardian and do not want to have to ask anyone to leave the program, but we must - and will - protect the students who join our ministry from harmful language and behavior.
- I understand that my child(ren) are attending a drop off program that requires on-time pick up. If my child(ren) are picked up 15 minutes late or later on more than one occasion, my family will be unable to participate in the program unless proper communication has taken place and the ministry leaders and parents are working together.
- I understand this program is run by a ministry that stands on Scriptural truth. I do not have to agree with Scripture, but I must be respectful of the ministry's beliefs. My child will be exposed to the Christian faith and will be taught that it is true. Faith discussions will be respectful and loving.
- I understand that any offensive action against the ministry's belief in Christ will be grounds for removal from the program.
