

# FFFL 2026-2027 Schedule

## TUESDAY

8:30 AM - K-3: Language Arts  
10:00 AM 4-8: US History  
8-12: Biology

---

10:05 AM - K-3: Chemistry & Physics  
11:35 AM 4-8: Language Arts  
8-12: US History

---

12:30 PM - K-3: Biblical Character Traits  
2:00 PM 4-8: Chemistry & Physics  
8-12: Christian Worldview

---

2:05 PM - K-3: US History  
3:35 PM 4-8: Bible  
8-12: American Literature & Composition

## THURSDAY

8:30 AM - K-3: Health & Physical Education  
10:00 AM 4-8: Elements of Art  
8-12: Tech & Truth

---

10:05 AM - K-3: Music Exploration  
11:35 AM 4-8: Health & Physical Education  
8-12: Elements of Art & Composition

---

12:30 PM - K-3: Intro to Visual Arts  
2:00 PM 4-8: Musical Composer Study  
8-12: Health

---

2:05 PM - All Grades: Worship & Fun  
3:35 PM Fellowship

## WEDNESDAY

9:00 AM - 6-9: Robotics  
10:30 AM 8-12: Informal Logic  
2-6: Math

---

10:35 AM - 6-9: Pre-Algebra  
12:05 PM 8-12: Algebra 1  
8-12: Geometry

## TUTORING

MON One on one tutoring available  
from 12:00 - 7:00 PM

---

WED One on one tutoring available  
from 1:00-6:00 PM

# FFFL Course Descriptions 2026-2027

**K-3 Language Arts:** Literature, Phonics, Reading, and Writing taught in skill-based groups through visual, auditory, and kinesthetic learning activities. Material Fee: \$40

**K-3 Biblical Character Traits:** Using Konos curriculum as a guide, we will see what Scripture says about attentiveness, obedience, orderliness, trust, patience, stewardship, and honor. Lessons will be hands-on and immersive. Material Fee: \$25

**K-3 US History:** Using My Father's World, students will journey through the years and learn about the history of the United States from Pre-Colonial times up until modern times. Material Fee: \$20

**K-3 Chemistry & Physics:** Using Apologia Exploring Creations with Chemistry & Physics, students will learn about the basic building blocks of creation, atoms & molecules, simple chemicals, and laws of motion & energy. Material Fee: \$45

**K-3 Health & Physical Education:** This class introduces young learners to healthy habits through simple lessons on nutrition, hygiene, basic first aid, exercise, and personal safety. Material Fee: \$10

**K-3 Introduction to Visual Art:** Using Artistic Pursuits as a guide, students will gain a solid, foundational understanding of art history and fundamental art techniques such as composition, observation, color, and form through hands-on projects. Material Fee: \$20

**K-3 Music Exploration:** Using Music Comes Alive Primary A, students will learn music history, appreciation, and techniques through various hands-on activities and books. Material Fee: \$30

**4-8 Language Arts:** Literature (US based), Reading, Writing, Grammar and Mechanics will be taught in skill-based groups. Four literary selections will be studied over the course of the year. Material Fee: \$40

**4-8 Bible:** Using My Father's World, students will read through the book of James together (and also try to memorize it) as well as learn about prominent figures of faith throughout US History and the world. Material Fee: \$40

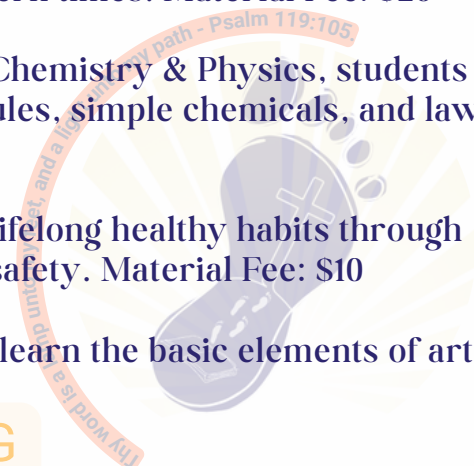

**4-8 US History:** Using My Father's World, students will journey through the years and learn about the history of the United States from Pre-Colonial times up until modern times. Material Fee: \$20

**4-8 Chemistry & Physics:** Using Apologia Exploring Creations with Chemistry & Physics, students will learn about the basic building blocks of creation, atoms & molecules, simple chemicals, and laws of motion & energy. Material Fee: \$45

**4-8 Health & Physical Education:** This class helps students develop lifelong healthy habits through lessons on nutrition, hygiene, basic first aid, exercise, and personal safety. Material Fee: \$10

**4-8 Elements of Art:** Using Artistic Pursuits as a guide, students will learn the basic elements of art and art composition. Material Fee: \$60

**FAITHFUL FOOTSTEPS FAMILY LEARNING**

# FFFL Course Descriptions (cont.)

**4-8 Composer Study Class (Music):** Using a composer activity, students will travel through the ages learning about 42 different composers ranging from the Middle Ages to modern times. Material Fee: \$5

**6-8 Robotics:** Using kits from Barnabas Robotics, students will design, assemble, wire, and program their own little robots as well as a little bit of coding in session 1. In session 2, we will use the same controller to make a little car that is able to think and act on its own, building more on the skills from session 1. Material Fee: \$80

**6-9 Pre-Algebra:** Using Simply Good and Beautiful Pre-Algebra course, students will learn pre-Algebra with a spiral approach. Parents can download a free book and videos for in-between lessons. Material Fee: \$15

**7-12 General Science:** Using Masterbooks General Science 1 program, students will explore God's creation of the earth, sky, and sea. We will study weather, water, minerals, and stars with hands-on activities to help solidify concepts. Material Fee: \$80

**8-12 American Literature and Composition:** Four literary selections will be studied over the course of the year focusing on literary analysis, critical thinking, vocabulary, and reading comprehension. Grammar, Mechanics, and Spelling will be taught through writing assignments. Material Fee: \$40

**8-12 Christian Worldview (Bible):** Using Worldview by Kevin Swanson, students will learn the difference between the truth of the Bible and the secular world. Going over topics such as: the nature of truth, God, man, ethics, sociology, origins, sin, salvation, and teleology. Material Fee: \$40

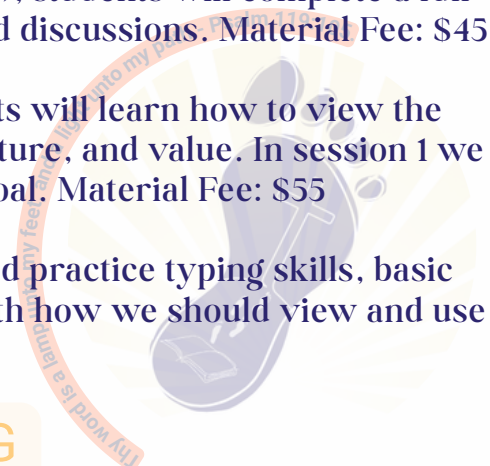

**8-12 US History:** Using Masterbooks American History, students will survey the history of the US from Native Americans and European settlement up until the modern age (engaging everything with a Biblical worldview). Material Fee: \$40

**8-12 Biology:** Using Masterbooks Master's Class High School Biology, we will bring God's creation of cells, ecosystems, biomes, the genetic code, and more to life for our students. This class will include labs with microscope use and dissections. Material Fee: \$80

**8-12 Health:** Using High School Health for the Whole Person (7Sisters), students will complete a full year of physical, mental, emotional, and spiritual health activities and discussions. Material Fee: \$45

**8-12 Elements of Art & Composition:** Using Artistic Pursuits, students will learn how to view the world as an artist, being introduced to topics such as: space, line, texture, and value. In session 1 we will be using drawing pencils and in session 2 we will be using charcoal. Material Fee: \$55

**8-12 Tech and Truth:** Using various resources, students will learn and practice typing skills, basic computer history and literacy, as well as how our faith intersects with how we should view and use technology. Material Fee: \$30

# FFFL Course Descriptions (cont.)

**8-12 Informal Logic:** Using Fallacy Detectives (Nathaniel and Hans Bluedorn) as a guide, students will learn to think critically and recognize fallacies. Material Fee: \$25

**8-12 Algebra 1:** Using Algebra 1: A Fresh Approach, students will learn all about equations, functions, factoring and more with a non-intimidating, one concept at a time approach. Material Fee: \$80

**9-12 Geometry:** Using Geometry: A Fresh Approach, students will learn about logical thinking, geometric shapes, and geometric proofs, building upon what they learned in Algebra 1. This unique textbook provides a non-cluttered approach. Material Fee: \$80

**K-12 Worship and Fun Fellowship:** Group worship followed by social activities. Some weeks will be free time social activities and other weeks will be teacher guided. The connections and social skills built during this time are equally beneficial to the students as structured academics. Material Fee: \$0
